## VALUE THEM BOTH

The five measures of VTB will curb the projected 100,000 yearly, aborted babies by 2025 in Kansas. That number is currently 25,000 babies killed every year, in Kansas. (Guttmacher Institute) Kansas now has no limitations, at all, on abortion. Other states are 'coming in' and our tax dollars are 'going out' to fund their abortions. Tax funded abortions will stop, when VTB is passed.

Be informed with facts; avoid reacting with a fear filled, media, misguided vote.

Be accountable. Be educated. Be prayerful. Lives are depending on your YES vote.

### St. Vincent de Paul Reflection

Have you noticed that there is no rejection of Martha, no suggestion that she should not have been engaged in preparing the meal? Jesus merely underlines a truth that St. Luke records earlier, namely, that they are blessed who hear the word of God and keep it. He is putting emphasis on a sense of attention to the word of God, if we are to offer that service to others which is the fulfillment of the second great commandment of the law. Hearing the word of God in prayer through reflection is a condition for true selfless loving service of the body of Christ.
