Stewardship Message-June 28, 2015

"The Joy of the Gospel: Faith Working Through Love"

Thirteenth Sunday in Ordinary Time

Do not be afraid, just have faith! Our favorite Gospel stories are of Jesus performing miracles. We hear today how the woman who simply touched his cloak was healed and also how he brought a little girl back from death to life. Jesus' love for people led them to believe in him and their faith enabled him to exercise his healing power. Jesus' message to us is that we need to have faith so that during the calamities of life we have a friend to carry us through. May God's abundant grace nurture our faith and develop in each of us a share in his life.

Today Mark tells us of an official of the synagogue who encounters Jesus with a plea for help for his dying child. Do we have the courage it takes to make such a request of Jesus? Vincentians witness this courage when we listen to the poor as they bury their pride, swallow their shame

and share with us their need. We come away from nearly every home visit deepened in our faith. We learn so much from the poor.
