Stewardship Message-Aug. 23, 2015

"The Joy of the Gospel: Faith Working Through Love"

Twenty-first Sunday in Ordinary Time

Decide today whom you will serve! The Israelites were given a choice by Joshua to either serve the Lord or to return to their idol-worship. Joshua wanted them to make a conscious decision rather than just following the crowd. After Jesus delivered his bread of life teaching, some of his followers made the choice to return to their prior ways and no longer follow him. Simon Peter speaks for the Apostles in declaring that they believe Jesus is the Hold One of God and at that they would not leave him. Their faith in him grew from their love for him. May our faith strengthen our love of neighbor and our love work to deeper our faith.

Society of St. Vincent de Paul

"...many of his disciples returned to their former way of life and no longer accompanied him." (Jn 6:66). This is one of the saddest passages in the Gospel. Those who left Jesus just had not been open to the Spirit. Vincentian spirituali-

ty focuses on being not only open to the Spirit but consciously trying to hear the Spirit in all of our activities. We are not of one perception or persuasion so it is important for us to call on the Holy Spirit to enlighten us. One aid for being open to the Spirit is the fellowship and support of our fellow Vincentians. This support comes through meetings, visitations, communal prayer and yes even through email! If you are seeking a source of support on your road to holiness come visit with us.
