

St. Mary Catholic School

St. Mary Catholic School Prayer

Dear Father,

You sent your Son into the world to be the way , the truth and the life. Help us keep our school a place where we are proud of what we stand for and what others have stood for. May we remember those who have walked these halls before us and those that will follow. Help us keep our Catholic Christian beliefs an important part of all we do. Thank you, God, for giving us the opportunity to attend a school where the Master Teacher, Christ and His Word remains constant and is the foundation on which our lives are built. By you grace may St. Mary Catholic School continue to bring this good news and be faithful in teaching His way.

Amen.

St. Mary Catholic School Mission Statement

St. Mary Catholic School exists to provide students with a Catholic learning environment in which they are challenged to maximum growth spiritually, academically, emotionally and physically.
